PROFESSIONAL SUMMARY

Senior Data Analyst with 4 years of experience in building analytics infrastructure, developing KPIs, and transforming complex data into actionable insights that support strategic and operational decision-making. Built a centralized data repository across 7 departments and developed interactive dashboards to monitor performance across 90 branches nationwide. Identified 19 underperforming branches and provided data-driven insights that supported branch rationalization, service coverage improvement, and cost optimization initiatives. Proficient in Power BI, DAX, Microsoft Excel, SQL, Python, Data Modeling, Machine Learning, Microsoft Azure, and Microsoft Project.

PROFESSIONAL EXPERIENCE

Senior Data Analyst, 09/2025 - Current

AlArkkan Training Company – Riyadh, Saudi Arabia

- Developed comprehensive data repository across 7 departments, creating unified source for performance reporting analysis and decision-making.
- Created KPI scorecards with interactive Power BI dashboards covering 90 branches nationwide, enhancing ongoing and real-time access to operational performance.
- Detected 19 underperforming branches representing 21% of network, providing analytical recommendations that supported branch rationalization and informed cost-optimization decisions.
- Undertook geographic coverage and distance analysis, advocating mobile branch solutions to eliminate service gaps and optimize accessibility while reducing fixed operating costs.

Data Analyst, 02/2024 - 07/2025

Profit School – Abha, Saudi Arabia

- Analyzed data using Python, Power BI, and Excel to identify trends and improve decision-making
- Developed Power BI dashboards and KPI trackers to analyze performance and provide actionable insights.
- Amplified analysis of structured datasets through Python to improve reporting and resource-allocation strategies.

Teacher, 02/2022 - 07/2023

School – Abha, Saudi Arabia

- Increased educational expertise and knowledge by participating in instructor-oriented workshops.

Data Entry, 01/2021 - 01/2022
